Achievebalance.org Supervisor Training

Wake Up – Do Good Work – Achieve Balance - Repeat

Get Ready to Learn

You asked, and we listened! We started with the basic 40-hour supervisor training and added what you need to make your experience complete. Your admission cost includes consultation after the course ends, free admission to optional courses, lifetime access to course material and networking opportunities, a printable

Supervisor Toolkit, and more! Register before September 15, and if you refer a friend and you both attend, you will receive \$100 off the cost of admission.

Welcome!

I'm so glad you will be attending the AchieveBalance.org Fall 2015 Supervision Training Seminar! I believe you are in for a fantastic learning experience. We focus on ethics, job satisfaction, and good business practices. That means you will:

- Make fewer mistakes
- Protect your license
- Achieve work/life balance
- Take your practice to the next level

I look forward to meeting you in The Woodlands, Texas this fall!
